

Certificate

Indoor Air Comfort Gold

The Wall

Certified Product

FALQUON GmbH

Hünengrab 18, 16928 Pritzwalk, Germany

Applicant

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- France VOC class A+
- Germany (AgBB/ABG)
- Italian CAM Edilizia
- EU Taxonomy Regulation
- LEED (ACP)
- BREEAM New Construction
- WELL Building
- SKA Rating
- French HQE certification
- EMI CODE EC1 Plus
- M1
- Danish Indoor Climate Label (Emission Class 1)
- BVB (Sweden)
- Miljöbyggnad (Sweden)
- Nordic Swan
- Eco Product Norway
- SINTEF (Norway)
- Cradle to Cradle
- very low emitting products according to EN 16798-1
- Singapore Green Label
- Global GreenTag
- Declare 2.0

Issue date: 30 September 2024

Product type: Non-wooden Panels

Validity date: 30 September 2024

Certificate number: IACG-490-01-02-2024

This certificate is valid as specified if regular surveillance and testing is done.

Appendix to Certificate IACG-490-01-02-2024

FALQUON GmbH

receives the Indoor Air Comfort Gold certificate with validity 30 September 2024

for below product group, including subgroups and individual products as listed:

Product group: The Wall

Product type: Non-wooden Panels

Products included:

The Wall

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
